

175th A-10 Intelligence DSG Vacancy Announcement

POSITION:	AFSC: 14N3 Intelligence Officer Drill Status Guardsman Grade Authorized: Major / O-4 Positions Available: 1
DUTY LOCATION:	175th Wing, Maryland Air National Guard Warfield Air National Guard Base 2701 Eastern Boulevard Middle River, Maryland 21220-2899
WHO MAY APPLY:	This is a Maryland Air National Guard Drill Status Guardsman position open to current members of the Maryland Air National Guard and individuals eligible to join.
TO APPLY:	Contact 175th Wing Retention Office. Phone: (410) 918-6479 or Email: 175WG.Retention@ang.af.mil
DUTIES:	<p>This position is located in the 175th Operations Support Squadron A-10 Intelligence Flight. Supports all aspects of Air Force operations by collating, analyzing, evaluating and disseminating intelligence information. Produces all-source intelligence, situation estimates, order-of-battle studies, and other intelligence reports. Advises commanders on force protection and intelligence information for US and allied forces. Conducts intelligence debriefings of US and allied military personnel involved in combat operations. Prepares and disseminates mission reports.</p> <p>(1) Conducts intelligence training. Instructs aircrew on collection and reporting requirements, recognition techniques, and assessing offensive and defensive weapon system capabilities. Assist SERE (Survival Evasion Resistance and Escape) and Aircrew Flight Equipment (AFE) personnel in training evasion and recovery and code of conduct, when necessary. Collates intelligence and operations materials, and assembles final products for mission briefings and training materials.</p> <p>(2) Produces intelligence materials. Prepares, maintains, and presents intelligence displays, reports and briefings. Compiles, evaluates, researches, interprets, analyzes, and disseminates intelligence information. Assembles maps, charts, and target materials. Establishes intelligence collection requirements. Uses automated and non-automated systems applications. Identifies and establishes unit requirements for intelligence reference materials. Maintains intelligence reference files, automated intelligence databases, and target materials data logs. Uses intelligence automated data systems to store, retrieve, display, and report intelligence information.</p> <p>(3) Performs mission planning and execution support. Provides tailored collections planning, threat analysis, and intelligence expertise necessary to develop detailed execution plans for aerospace operations. Provides current situational awareness and Intelligence Surveillance and Reconnaissance (ISR) management for the execution of the Air Tasking Order (ATO). Analyzes intelligence to support military operations and targeting.</p> <p>(4) Performs targeting functions to include target development, weaponeering, force application, execution planning, and combat assessment. Maintains and uses geospatial databases, target materials, imagery, and other intelligence products. Extracts coordinates and positional relationships from digital database systems.</p> <p>(5) Support to Force Protection (FP). Provides FP intelligence support to commanders and their staffs through current, all source intelligence products and briefings, focusing on terrorist capabilities, tactics, trends, courses of action and ongoing threat situation in the unit's Area of Interest or Area of Responsibility.</p>

175th A-10 Intelligence DSG Vacancy Announcement

	<p>Analyzes incoming intelligence for FP value and impact. Ensures FP is addressed in current intelligence briefings, pre-mission, and pre-deployment briefings. Provides guidance for unit-level FP-related intelligence external and internal training. Participates in the installation-level Threat Working Group (TWG). Develops realistic terrorist threat scenarios for wing and unit exercises. Responsible for providing FP for in-garrison, in-transit, and deployed units.</p>
